Interest '- Tonight's Republican Cauous-Pierre-Joseph Marriage Set for

There is more than average political interest in the republican caucus that will be held this evening, to elect delewill be held this evening, to elect delegates to the state, congressional and senatorial convention. Of these the latter convention is of more interest than the others combined to Stonington politicians, if there be truth in current rumors. The senatorial convention will not only nominate a senator to represent the Shoestring district, but will also practically name the district member of the state central committee.

According to the report Senator Ben-jamin H. Hewitt has an ambition to jamin H. Hewitt has an ambition to serve on the state central committee, as such membership would aid in his alleged aspiration for a place on the state ticket. In this connection it is also reported that Judge Frank H. Hinckley is not averse to succeeding Mr. Hewitt as state senator. Under these conditions it will be seen that the delegation to the senatorial convention is of special interest to the two vention is of special interest to the two gentlemen named. Both are of the same wing of the party locally, are relatives, intimate friends, and both are well-trained in the game of politics. It was mainly through Senator Hewitt's efforts that Mr. Hinckley succeeded Judge Breed in the town court of Stonington and he has been a strong supporter of Senator Hewitt in his fight against the trolley company, which some claim to be a move for

# OLD FOLKS RECIPE

FOR WEAK KIDNEYS To Quickly Save Elderly People Fron Kidney and Bladder Miseries.

While people well along in years are more subject to weak kidneys and bladder than younger folks, their trouble need not necessarily be serious and can often be easily corrected by a safe, simple home kidney regulator that acts promptly. A good plan is to stop eating meat, sugar and sweets for a few days and to take a few doses of Solvax with which Lee & Cegood or any local druggist can easily supply you at a little expense. Solvax is harmless and acts safely but quickly on the kidneys and bladder to strengthen them for their natural work and drain out all the impurities from the blood that cause the kidneys to get slow and sluggish. Twenty-four hours generally

cause the kidneys to get slow and sluggish. Twenty-four hours generally show results and make the kidneys act fine. Back pains and weakness soon are forgotten and sufferers are enabled to get a good eight hours sleep without getting in and out bed several times during the night.

Do not suffer another day but see at once if Solvax will not relieve you. If you find it does not, tell the druggist so and he will cheerfully return the money you paid him for it. We know no stronger argument for any medicine than the willingness of those who sell it to stand back of it in this way.

He cut it on some broken glass,
But said that didn't hurt;
He kept right on thru sand and mud
And filled the cut with dirt.
It spotted there and rotted there,
And soon he howled in ire
When up it blew, he blew up, too—
And blamed it on the tire.

He put on chains that ground and chewed
And gouged into the tread;
He knew his wheels were out of line;
"But what of that?" he said.
He whizzed along and sizzed along,
He picked up nails and wire,
and when it banged, his fist he
whanged
And blamed it on the tire.
